

Mission Experience with Kingdom Impact

“Guangxi Mission Immersion”

Below are a series of speaking points developed from past groups who have visited Guangxi churches and CBF partnership projects. It is intended to assist your congregation or group to understand how these kinds of short term experiences contribute to CBF work.

1. “Being the presence of Christ” and presenting a CBF face to our partners

Your willingness to join us for a few days of mission immersion provides a tremendous boost to our credibility, and puts a face and name to CBF for the Chinese churches and individuals with whom we work. Your presence is tangible proof that CBF prays for and cares for the Chinese people. Your visit makes tremendous contribution to the long-term relationships CBF has established over the past 10 years in Guangxi. Thank you for helping us build positive relationships for kingdom purposes...it is truly all about relationships.

2. Encouragement, Romans 1: 12

Your presence, genuine interest, prayers, and financial support are a tremendous encouragement to us and those we with whom we work to express the love of Christ through our actions and our lives. Thank you for spending time to encourage and be encouraged by:

- Chinese believers
- Chinese people—students, local teachers & leaders at the village, city, and provincial levels
- CBF partners—Angel House, Guangxi Christian Council, Zhongshan Church, Gonghe Church
- CBF personnel

3. Knowledge gained

Your experience allows you to gain knowledge about:

- Chinese society, and communities off the beaten path that typical tourists never see
- Chinese people, as you have opportunities to interact with local people informally to learn from and about their lives
- CBF work, ways and opportunities to serve, pray and give
- Chinese believers, what is possible and what is actually happening in Chinese churches today

4. Experiences

The experiences you share:

- Chinese worship
- Chinese friendships
- Chinese food & Chinese shopping
- Chinese English classes
- CBF partnership with Angel House, the Guangxi Lay Training Center, Guangxi Christian Council, various local churches

5. Personal Growth

Hopefully, through this experience you will:

- Allow God to use this time to grow you
- Gain a greater understanding of His love
- Gain greater understanding of mission
- Be encouraged by the Chinese friends you have met

You may also designate financial gifts to the CBF work in Guangxi in the following ways:

- **Project # 81172** Lay leadership training and seminary scholarships
- **Project #81177** Angel House
- **Lisenby Ministry** (supports my living and traveling in China to maintain partnerships)
